To Whom It May Concern:

I am writing this letter on behalf of Chris Suchanek. I have had the pleasure of knowing Chris for approximately three years. I have witnessed his personal and professional growth during this time and have been impressed by his ability to grasp complex concepts and ideas and immediately put them into practice.

While I have known Chris primarily in his role as a student in the Alcohol and Drug Counseling program at Mt. San Antonio College, I have also begun to know Chris as a professional in the Chemical Dependency treatment field. He is very engaging and has a very strong empathic presence. He is also very competent and ethical in his delivery of professional services. He can be counted on to follow through with his commitments and responsibilities.

I strongly recommend Chris Suchanek for whatever academic or professional endeavor he wishes to undertake.

Sincerely,

John K. Smith, Ph.D., LCSW
