RE: Letter of reference

I had the opportunity to work with Mr. Suchanek in May of 2006 when he did an intervention with a prospective applicant to the Lawyer's Assistance Program. He was direct, clear, focused, very professional, and worked well with the struggling client and the client's family. Through his work and detailed attention the client was able to move from a place of denial and resistance to acceptance of the problem and entered a 30-day recovery program. Mr. Suchanek was also on top of contacting and arranging meetings with other agencies/organizations to ensure the best benefit and support to the client. Working with him was a very positive and smooth experience.

I would recommend him and call him in the future.

Sincerely,
